Where to Sign:

- There are two types of titles: Blue or Yellow (you should have ONLY one type)
 - **Blue Title:** Below the odometer reading line, the owner(s) signature(s) and printed name(s) must appear on the signature line (one signature per line).
 - **Yellow Title:** Each listed owner must sign **twice**, once beneath each square block. If a lien holder is listed in the bottom box, then the lien holder signs beneath the lower box. If the lower box reads "Same," then each listed owner signs beneath the lower box.
 - **Notice of Transfer (N.O.T.):** At least one owner must sign the N.O.T. (the white perforated portion on top). Please do not date or submit the N.O.T. until the vehicle is physically picked up or dropped off.
- Titles must be free and clear of traffic violations and lien holders. If a lien holder appears on the title, they must sign off prior to donation.
- If your car has been salvaged by your insurance company, it must be stated on the title.
- The most recently issued title must be submitted (a duplicate title voids out the original).

NEVER SIGN THE BACK OF THE TITLE! If you are still confused, call 593-1515 ext. 1
