"MAUI ANIMALS" FIGHT TO WIN 2007 MAUI CADILLAC INVITATIONAL

MAKENA, MAUI - First timers, Bart Volen, Gary Masich, Robert Joslin and Steve Trivelpiece took away the First Place Winner's crystal trophies after an exciting face off with Jack Reiley's East West Gardens Team at the 5th Annual Maui Cadillac Invitational Golf Tournament. The Cadillac Invitational was held on August 25th at the Makena South Course as a benefit fundraiser for the Maui office of the National Kidney Foundation of Hawaii. The tournament started with a very short downpour, which made for interesting play. The two top teams ended the day with a score of 61, nine under par. The Maui Animals won by a tie breaker. Bart Volen, Team Captain for the Maui Animals described the event as "a great experience, which greatly exceeded my team's expectations for a charity event". Volen said, "Everyone was more than friendly, there were a lot of fun contests, the on-course barbecue hosted by Outback Steakhouse was awesome, we got gift bags full of goodies, the food at the awards banquet at the Maui Prince was fantastic; and there were lots of wonderful prizes." As the first place winners, Volen and his team earned a coveted invitation to compete against over 100 other winning CI teams in the National Cadillac Invitational Playoffs to be held January 17 through 21st at TPC Sawgrass Country Club, home of the PGA, in Ponte Vedra Beach, Florida.
