Hawaii

JUNE 10-12, 2015

KEIKI KIDNEY CAMP

National Kidney Foundation™

of Hawaii

FREE camp for youth with chronic disease & their families!

Engaging, challenging and supportive programs and activities fill this exciting camp to build independence, self-esteem, and friendships among youth affected by chronic disease! Campers will be empowered to live an active and positive life within a safe and healthy environment created specifically for them. Family members will gain support and advice from expert staff.

July 10-12, 2015

Family welcome on July 12th

Camp Mokuleia

Waialua, HI

For ages 12-18

With chronic diseases (kidney disease, heart disease, diabetes, etc)

Keiki Kidney Camp

This FREE overnight camp is open to youth, age 12-18 who have had organ transplants, are on dialysis, or are living with a chronic disease.

Fun & Adventure

Keiki will have a great time participating in educational games, challenging activities and outdoor fun at Camp Mokuleia.

Support & Education

Parents and guardians will have the opportunity to learn more about how to care for their loved ones, including information about nutrition, support groups and disease management.
